Childhood Cancer is Curable

Children with cancer and their families deserve the best possible treatment to deal with illness, care & support to manage the social and psychological impact of the illness and assistance for treatment & to reintegrate back into society. This resource directory is to help families to know how to get diagnosed, where they should go for treatment and what support they can receive in the state of Punjab.

Where to get Childhood Cancer treatment in State of Punjab

There are 1601 Children with Cancer in Punjab per year. We have an MoU with State Govt of Punjab (Signed September 15, 2017) as knowledge & technical partners. We are committed to providing best treatment care & support for Children with Cancer & their families in Punjab.
